Birthday parties will be scheduled Saturday's & Sunday's at the following times; 12:00 PM, 12:30 PM, 1:00 PM, 1:30 PM, 2:00 PM, 2:30 PM, 3:00 PM & 3:30 PM. The birthday party lane reservation will be held to a 2 hour time limit. The entire party reservation will last 2 hours from the time your party is scheduled. We recommend you and your guest arrive at least 10 minutes early so they can get their rental shoes, pick out a ball & put their names into the automatic scorers before the party starts. That way you don't waste time doing those things during the time you should be bowling.

As soon as you arrive, please check in with the customer service counter and get the birthday party food order form. As soon as you poll your guest to see what food item and beverage they would like, please turn the form into the snack bar attendant. If you want additional food and beverages, other than what is included with the birthday party package, please state so on your food order form under "Additional Food Items." Any additional food or drinks will be added to the overall cost of your birthday party package & will be paid for at the end of the party before you leave.

A reminder to you, all food and beverages will not be prepared until you turn in your food order form, so delays in ordering on your part will cause delays in the food and beverages served to your guests.

With the Birthday Party Package you will be able to bring cake and ice cream for the party, however if you bring in cake and ice cream you are responsible to bring any plates and utensils you need as we don't stock such items. No other outside food or beverages are allowed except cake and ice cream. 1 hour party room rental is \$50.00 additional to the cost of the Birthday Party Package. Party room rentals are subject to availability.
